

# Nordix Community Wiki

Welcome to the Nordix Foundation wiki pages.

This is a space for our community to collaborate.  
Sharing;

- ideas
- Activities
- Information
- Memes 

If you are interested in open source, working in the Nordic's or software in general this space is for you.

Make sure you look into our core topics, that's where we roll up most of our activity and planning, each has a space of it's own and provides some context for the work we do.

Cloud and Programmable Infrastructure

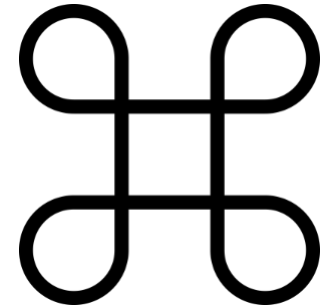

This wiki is and will always be a work in progress, to help you find your way around here are a couple of easy pointers:

[Developers](#) go here!

If you're interested in the [Meetings and Events](#) schedule go there!

There will be more places to go soon, but at least we can get you started with that!
